The Journal of the Ancient Near Eastern Society welcomes articles on all aspects of the ancient Near East. Manuscripts, which must be typed double-spaced in MS Word according to *Journal* style, and all illustrations should be submitted electronically, together with a PDF version, to the Editor (sholtz@yu.edu). Style guidelines may be obtained on request.

The *Journal* is now available on-line without charge. All previously published articles are accessible on our website: <https://janes.scholasticahq.com/>

Several back issues, including the special expanded volumes, are available in hard copy (originally published form). Please send orders to damarcus@jtsa.edu

This periodical is indexed in the American Theological Library Association Religion Database and its articles are summarized in *Old Testament Abstracts* (the Catholic Biblical Association of America).
